POSITIONED FOR IMPACT

Happy New Year!

This year the LORD laid on our hearts as a ministry to position our selves for impact. Here are some of our 2025 plans :

1. Double the number of students in our discipleship groups on campus. We are experiencing a movement of students toward Christ mentoring programs. This will run through the year.
2. Provide mentoring opportunities for young people in the community.
3. Co-facilitate Parenting Class at Nairobi Chapel from January - April.
4. Go on a mission trip with our students to the southern part of Kenya in April.
5. Start our family life bible study series for couples in our church and community from May - December.
6. Moses starts Serving Leaders training from April - August.

7. Cinci starts a Masters of Arts in Counseling in response to the increase need to be equipped with serve young people who have expressed certain needs.

8. Sisa, Cinci and Moses are reading the Bible in a year.

Pray for us that the LORD will established our plans
“Commit to the LORD whatever you do, and he will establish your plans” Prov. 16:3
