Greetings! We trust the LORD is keeping you. This month's update focuses on the translation of the Jesus film into two languages (Tachoni and Samia) in Kenya.

It was all joy on the completion of the Jesus Film in these two languages in Webuye in Bungoma County, western Kenya. The importance of this film is that many people will not need learn a new language in order to hear the gospel of Christ.

To saturate Webuye, our ministry here (Life Ministry Kenya) organized a training for Christian leaders in the community on how to use the Jesus film to reach people for Christ. These workers among the Tachoni and Samia people anticipate good fruit to come from JESUS in their language. **More on the Jesus film video ([https://www.youtube.com/watch?v=UFEGtqUL2ys&ab\\_channel=TheLifeMinistryKenya](https://www.youtube.com/watch?v=UFEGtqUL2ys&ab_channel=TheLifeMinistryKenya))**
