

OSAGIEDES UPDATE

"Go and Make Disciples of all Nations" (Matt. 28:19)

MAKING DISCIPLES WHO ARE LEADING CHANGE

"You are one of the good things that happened to me this year" were the words of one of the ladies Cinci is discipling at International Leadership University, Nairobi, the place of our service. It has been a fulfilling few weeks as she has reached out to these five ladies who have gone through practical Bible studies that impact their everyday lives.

Some of our desires as we came to Kenya and we shared with you in our newsletters, were that God will allow us to work with students who are passionate about seeing change in their society as we become a part of their lives and spiritual journeys through Bible studies, mentoring, and preparing them to be missionaries in the marketplace for His glory. We see God answering our prayers through these students.

Just last week, Juliet* (not her real name) and a couple of her friends went to register a political party in Kenya because they are passionate about change.

Our earnest desire is that as she and the others learn about God through the bible study and ministry outreach to people in our community, their lives will be transformed to bring the needed change.

Prayer needs:

- Thank God for the opportunity to disciple these students. Pray that as Cinci works with them, God will reveal his agenda for their lives through His word.
- Pray for Juliet and her colleagues that their ambition to become leaders in Kenya in the near future will materialize and bring the needed change God desires for this country.
- Pray for provision for our family amid this harsh economy worldwide.

Thank you for journeying with us. God bless you.

Moses and Cinci
