

AUGUST VISITORS

MARCH, 2025

A few days ago, we had the heartfelt pleasure of welcoming our leaders from Nigeria, and it filled our hearts with joy to reconnect with friends and senior colleagues we hadn't seen in nearly two years. Since embarking on our mission work in East Africa, we had eagerly anticipated this visit.

The team was in Kenya for a conference just outside the city of Nairobi, and they graciously made time to spend a day with us. Their presence was a source of great encouragement, invigorating our spirits more than we had hoped. We eagerly shared our ministry updates, detailing our experiences and the challenges we've faced. In return, they offered us invaluable counsel, sharing insights that only seasoned leaders could provide. To top it all off, they dedicated time to praying for us, enveloping us in a warm sense of support and community that truly uplifted us.

The ministry has been incredibly fulfilling and vibrant, our days often begin with Bible studies alongside students as early as 6:00 am on several mornings each week. We have seen God at work in many ways.

"THIS VISIT WAS PERFECTLY TIMED. IT PROVIDES US WITH RENEWED ENERGY AND INSPIRATION."

PHOTO OUR LEADERS AND OUR FAMILY

It's heartwarming to witness the growing eagerness among students, with many reaching out to express their desire for discipleship and mentorship. In this context, this visit was perfectly timed. It provided us with renewed energy and inspiration. We were truly grateful for their presence and the enriching conversations that ensued. Praise God!

PRAY FOR US

- Thank God for our leaders who visited us. Pray for safety as they return back home.
- Pray for encouragement for missionaries who serve the LORD outside their home countries.
- Pray for Moses' younger brother who is getting married this weekend.

Thank you! You are such an encouragement to us.
